Bellaire Family Eye Care

Photographic Retinal Examination

We at Bellaire Family Eye Care are pleased to provide our patients with an advanced digital photograph of your retina.

The Retinal Photographic Evaluation Includes:

- A copy of your retinal photo to take home
- An in depth view of the retinal surface
- A permanent record for your medical file, for serial analysis, comparisons, and diagnosis

Since insurance may not pay for this evaluation, this is an out of pocket expense. There is an additional cost of \$35.00 to the basic eye exam you are receiving today.

I **AGREE TO** have my retinal health evaluated with the Retinal Photographic Exam.

I **DO NOT** wish to have the Retinal Photographic Exam. I understand that I will still have a thorough eye examination with slit lamp observation.

Our Vision Learning Center (Suite #102) is a Self Pay Clinic. We do not file any insurances and payment is due at time of services.

Missed Appointments: In order to provide the best possible service and availability to all our patients, it is our policy to require 24 hour notice to cancel an appointment. At the time of cancellation you can go ahead and reschedule a make-up date.
